Agenda

#	Topic	Speaker
1	NEDO - When an installation permit is due to expire after 18 months without initiating construction, the rules allow for a one year extension. Is this a one-time extension or can a company be granted more than one?	Mike Hopkins/ Erica Engel-Ishida
2	NEDO - On 9/12, Mike Hopkins distributed draft guidance related to Proposed Engineering Guides Concerning 31-05 Rule Cites. We were told by our permit reviewer that it is ok to use this guidance even though it is still draft although some changes may occur. Does this mean we should be using the new guidance or it is an option at this point? When can we expect a final version?	Mike Hopkins/ Andrew Hall
