Receiving Water: unnamed tributary to Mosquito Creek

Public notice is hereby given that Ohio Environmental Protection Agency (Ohio EPA)-Division of Surface Water (DSW) has issued a draft permit-to-install (PTI) for the construction of the wastewater treatment works/disposal system for the above referenced project. Ohio EPA has made a determination that the wastewater discharge from this proposed facility would result in degradation to or lowering of the water quality of unnamed tributary to Mosquito Creek. After considering the technical, economic, and social aspects of this project, the Director of the Ohio EPA has decided to make the preliminary determination to allow this degradation. However, the chemical-specific water quality standards developed to protect aquatic life and human health, set forth in Ohio Administrative Code (OAC) 3745-1, will not be exceeded.

In accordance with OAC 3745-1-05, Ohio EPA will provide an opportunity for public comment concerning this project. Comments received shall be considered by the Director before the permit is issued as final. Any person may submit written comments on the draft permit and administrative record and may request a public hearing. A request for public hearing shall be in writing and shall state the nature of the issues to be raised. In appropriate cases, including cases where there is significant public interest, the director may hold a public hearing on a draft permit or permits prior to final issuance of the permit or permits. Written comments and/or public hearing requests must be received by the Ohio

EPA, Division of Surface Water no later than 30 days from the date of this public notice. Comments and/or public hearing requests should be delivered or mailed to both of the following locations: 1) Ohio Environmental Protection Agency, Division of Surface Water, Permits Processing Unit, 122 South Front Street, P.O. Box 1049, Columbus, Ohio 43216 and 2) Ohio Environmental Protection Agency, Northeast District Office, 2110 East Aurora Road, Twinsburg, Ohio 44087. Comments received after this date may not be considered by the Director before issuing the final permit.

Copies of the draft Permit to Install and technical support information may be reviewed and/or copies made at the Ohio EPA Northeast District Office, 2110 E. Aurora Road, Twinsburg, OH, 44087, by first calling, 330-425-9171 to make an appointment.
