**Public Hearing Notice**  
**Ohio Environmental Protection Agency**  
**Proposed rescission of**  
**OAC Chapter 3745-102, "General Conformity"**

Notice is hereby given that in accordance with Ohio Revised Code (ORC) 119.032 (5-year rule review), the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has reviewed the rules contained in Ohio Administrative Code (OAC) chapter 3745-102. Our review indicates that these rules are no longer necessary and will be rescinded as of this rulemaking.

Ohio's General Conformity regulations mirror the federal regulations in Section 176(c) of the Clean Air Act (CAA) and prohibit Federal entities from taking actions in a nonattainment or maintenance area which do not conform to Ohio's State implementation plan (SIP) for the attainment and maintenance of the national ambient air quality standards (NAAQS). Therefore, the purpose of conformity is to ensure Federal activities do not interfere with the SIP; ensure actions do not cause or contribute to new violations of the NAAQS; and ensure attainment and maintenance of the NAAQS.

Ohio's rules will be replaced by the federal standards, which will apply in future cases for facilities in Ohio needing a general conformity review. Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rules before the division formally proposes them. On February 6, 2014, these rules went out for a 30 day review by interested parties. Ohio EPA received one comment which was in support of rescission of the rules.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on **Tuesday, April 29, 2014 at 10:30 AM** at Ohio EPA, Lazarus Government Center, 50 W. Town Street, Suite 700, Columbus, Ohio. All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitors are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on April 29, 2014, will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after April 29, 2014, may be considered as time and circumstances permit, but will not be part of the official record of the hearing.

These rules are available on DAPC Regulations Web page for electronic downloading. See the information under the "Proposed Rules" tab at: <http://epa.ohio.gov/dapc/DAPCrules.aspx>. Questions regarding accessing the web site should be directed to Arunee Niamlarb at 614-728-1342; other questions or comments about these rules should be directed to Paul Braun at Ohio EPA, (614) 644-3625, [paul.braun@epa.ohio.gov](mailto:paul.braun@epa.ohio.gov) or mailed to Paul Braun, Ohio EPA, Division Air Pollution Control, Lazarus Government Center, P.O.
