RENEWAL OF CERTIFIED PROFESSIONAL  
CERTIFICATIONS UNDER OHIO'S VOLUNTARY ACTION PROGRAM**

Notice is hereby given that on May 5, 2014 the Director of the Ohio Environmental Protection Agency, pursuant to Ohio Revised Code ("ORC") 3746.04(B)(5) and Ohio Administrative Code ("OAC") 3745-300-05, issued a renewal of certification to the following Certified Professionals: Eric V. Augustine, CP255, Lewis C. Rhodes, Jr., CP201, and Nancy E. Sauer, CP284

The issuance of the renewal certification is a final action of the Director and will be public noticed in accordance with ORC 3746.04(B)(5). The action may be appealed to the Environmental Review Appeals Commission ("Commission"). The appeal must be filed with the Commission within thirty (30) days after notice of the action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Treasurer, State of Ohio", which the Commission, in its discretion, may reduce if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Commission at the following address: 77 South High Street, 17th Floor, Columbus, Ohio 43215.

If you would like to review a copy of any renewal certificate, or any documents related to the certification, please contact DERR Records Management Officer, at Ohio EPA, Division of Environmental Response and Revitalization, Voluntary Action Program, P.O. **PUBLIC NOTICE**  
**OHIO ENVIRONMENTAL PROTECTION AGENCY**  
**PROPOSED REDUCTION OF THE BOUNDARY**  
**FOR THE CITY OF MANSFIELD URBAN SETTING DESIGNATION**  
**Mansfield, Richland County, Ohio**

Public notice is hereby given that the Ohio Environmental Protection Agency (EPA) has received, on February 3, 2014, a request to reduce the size of previously approved City of Mansfield Urban Setting Designation (Mansfield USD) boundary from approximately 1,641 acres to approximately 1,148 acres of land located in the City of Mansfield, Richland County. This request for reduction for the Mansfield USD was submitted by McCabe Engineering Corporation (MEC), on behalf of the original Applicant, the City of Mansfield.

Pursuant to Ohio Administrative Code (OAC) Chapter 3745-300, Ohio's Voluntary Action Program (VAP) allows for the voluntary cleanup of contaminated property in Ohio without the risk of state civil liability. Under VAP, ground water cleanup is required where contaminated ground water poses risks to the community or environment.

A USD may be requested for properties participating in the VAP when there is no current or anticipated future use of ground water by local residents for drinking, showering, bathing or cooking or other potable purposes on or immediately adjacent to the USD property boundary in accordance with OAC Rule 3745-300-10(C). In these areas, an approved USD may lower the cost of cleanup and promote economic redevelopment while still protecting public health and safety.

The Ohio EPA director may approve the request to reduce the boundary of the Mansfield USD based on a demonstration by the certified professional that the USD requirements set forth in OAC Rule 3745-300-10(C)(1)(a) through (e) and 10(C)(2)(e) are met for the revised Mansfield USD boundary area and an evaluation of existing or future uses of ground water in the area has been assessed.

Comments regarding this request for reduction in the Mansfield USD boundary must be received by the close of business on June 13, 2014. Please direct your comments by mail to Ghassan Tafla at 347 North Dunbridge Road, Bowling Green, Ohio 43402 or by email at [Ghassan.tafla@epa.state.oh.us](mailto:Ghassan.tafla@epa.state.oh.us). This request can be viewed by contacting Ghassan Tafla or by calling (419)352-8461.
