**BEFORE THE  
OHIO ENVIRONMENTAL PROTECTION AGENCY  
November 17, 2014  
Public Notice: Proposed Rulemaking Governing  
Primary Drinking Water Standards & Plan Approval**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Drinking and Ground Waters (DDAGW) drafted revisions to rule 3745-91-03 and rules in Chapter 3745-81 in the Ohio Administrative Code (OAC) establishing plan approval and primary drinking water standards for the state of Ohio. The proposed amendments are, in part, a result of the five year rule review requirements of Section 106.03 of the Revised Code.

Revisions to these rules are mostly minor. OAC rules 3745-81-22 and 3745-81-78 are proposed to be rescinded because the Stage 1 Disinfectant and Disinfection Byproduct (D/DBP) requirements have been replaced with Stage 2 D/DBP requirements, which are contained in other rules. Revisions to rules 3745-81-15 and 3745-81-24 include updating a reference and removing outdated language. Draft amendments to rules 3745-81-26, 3745-81-33, 3745-81-81, 3745-81-87 and 3745-91-03 will clarify requirements.

A public hearing pursuant to §119.03 of the Ohio Revised Code will be conducted on December 19, 2014, beginning at 1:00 p.m. in Conference Room B at the Ohio EPA, Lazarus Government Center, 50 West Town Street, Columbus, Ohio. All interested persons are entitled to attend or be represented and give their written or oral comments on this proposed rule-making. A presiding officer will be present until all interested persons have been heard.

To facilitate scheduling of oral presentations, persons intending to give testimony at the hearing should ensure that Ohio EPA receives notice of such intent by December 18, 2014, 5:00 p.m. Persons who provide Ohio EPA with prior notice will be heard ahead of persons who register at the hearing. **All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitors are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.** To provide notice of intent to give oral comments at the public hearing, contact Susan Baughman by mail at Ohio EPA, DDAGW, Lazarus Government Center, 50 West Town Street, Suite 700, Columbus, Ohio 43215, or by phone at (614) 644-2752.

In order to ensure that written comments are considered as part of the official record of this hearing, written comments must be received by Ohio EPA by the close of business December 19, 2014. Written comments on the proposed rules may be given to the presiding officer during the hearing, sent by mail to Susan Baughman at the address above, or sent by email to the following address [ddagw\\_rulecomments@epa.ohio.gov](mailto:ddagw_rulecomments@epa.ohio.gov).

To obtain a copy of the proposed rules, contact Susan Baughman at Ohio EPA at (614) 644-2752 or email at [Susan.Baughman@epa.ohio.gov](mailto:Susan.Baughman@epa.ohio.gov). Please request the "proposed revisions to primary drinking water standards and plan approval 2014" and be sure to include your name, telephone number, and complete mailing address. There is no charge for proposed rules. The proposed rules will be available on the Agency web page until their adoption or withdrawal. They can be found at <http://epa.ohio.gov/ddagw/rules.aspx> on the "Proposed Rules" tab.

Comments can be submitted in hard copy to the following address: "Ohio Environmental Protection Agency, Division of Drinking and Ground Waters, P.O. Box 1049, Lazarus Government Center, Columbus, Ohio 43216-1049, Attn: Susan Baughman" or by email to [ddagw\\_rulecomments@epa.ohio.gov](mailto:ddagw_rulecomments@epa.ohio.gov). Comments should be received at the above address by close of business, December 19, 2014.
