

Ohio's Materials Exchange

A Statewide Reuse and Recycling Service

Complete Listings and Contacts on Web site

OMEx is a cooperative effort of:

- Association of Ohio Recyclers
- Ohio Environmental Protection Agency
- Ohio Department of Development
- Ohio Department of Natural Resources

OMEx is sponsored by:

- Coshocton, Fairfield, Licking, Perry Solid Waste District
- Ohio Environmental Protection Agency
- Ohio Department of Development
- Ohio Department of Natural Resources
- Stark, Tuscarawas, Wayne Solid Waste District
- Wood County Solid Waste District

NEW WEBSITE

The Ohio Materials Exchange has developed a new Web site that allows users/listers to enter their own listings and remove them whenever they wish. The Web site is <http://www.aor-omex.org/omex>. Listers should use this new Web site when listing or responding to materials. Instructions are provided. However, you can still use the form provided on page 33 of this catalog. To respond to confidential listings, call 740-397-7651.

Ohio EPA's existing Web site will still be updated and maintained on a bimonthly basis. We will also continue to provide listing updates to email subscribers. If you find a listing that you are interested in finding more information, click on <http://www.epa.state.oh.us/ocapp/p2/omex/category.html>.

If you have any questions, please call or email. Thank you.

Nancy Moore
Office of Compliance Assistance and Pollution Prevention
Ohio EPA

MATERIALS AVAILABLE AND MATERIALS WANTED ARE LISTED IN THE FOLLOWING CATEGORIES

Acids
Alkalis
Chemicals
Solvents
Oils & Waxes
Plastics
Textiles & Leather
Paper
Metals
Construction & Demolition
Shipping Materials
Computers & Electronics
Glass
Miscellaneous
Agricultural By-Products
Ash & Combustion By-Products
Durables & Furniture
Rubber
Refractory Material
Sand
Wood

Materials Exchange Instructions

Place a new listing

Listings are placed free of charge. You may list materials wanted or materials available at <http://www.aor-omex.org/omex>. Examples of materials may be:

- Surplus unused items
- Scrap materials
- Out of date materials
- Out of spec materials
- Hazardous materials

You may also use the the **Listing/Request Form on page 35** for each material you wish to list. Your name and contact information will not be released without your permission.

Respond to a listing

All listings are displayed without contact information in the Catalog. To receive contact information, call the fax-on-demand (instructions on this page), visit our Web site: <http://www.aor-omex.org/omex> and <http://www.epa.state.oh.us/ocapp/p2/omex/omex.html> or mail to us at the addresses provided on this page. Requests for information on confidential listings will be forwarded to the lister who has the option of contacting you.

Information provided through OMEEx: Ohio's Materials Exchange is supplied by listers of the materials. Association of Ohio Recyclers (AOR), Waste Alternatives, Inc., (WA), Ohio Environmental Protection Agency, Ohio Department of Development, and Ohio Department of Natural Resources are not liable for any information, error or misrepresentation, and make no warranty, expressed or implied as to the accuracy of the descriptions, suitability of the materials for a particular purpose, or the merchantability of any materials offered, listed or described. OMEEx, AOR and WA are not responsible for determining what may constitute a hazardous substance or create a hazardous situation, nor do they make or express any judgement with respect to any legal requirement, particularly for the storage, transportation, treatment, recovery or disposal of any material. Waste Alternatives, Inc. reserves the right to withhold listings and to edit information provided by the listing party.

Ohio's Materials Exchange

The primary purpose of OMEEx is the dissemination of information on surplus and/or waste materials either available from or wanted by industrial and commercial entities. By facilitating the beneficial reuse of waste materials, OMEEx assists in reducing the need for landfill space, and encourages the proper management of solid and hazardous waste in order to avoid adverse effects on the environment. OMEEx listings are distributed to private sector waste generators, government agencies, solid waste districts, recycling organizations, and materials brokers throughout Ohio, the United States and internationally.

Twenty-three standard categories have been established for use in listing both materials available and materials wanted. Placing a listing or requesting contact information on a listing is easy and convenient through our Web site, and fax-on-demand. OMEEx services are free to all users. OMEEx is not intended as a medium for advertising products and/or services.

OMEx: Ohio's Materials Exchange
c/o Association of Ohio Recyclers
PO Box 70
Mount Vernon, OH 43050

Phone and fax-on-demand: 888-718-OMEx (6639)
Fax number: 740-397-7649

Using the Fax-on-Demand

Using the OMEEx fax retrieval system makes listing contact information available 24 hours a day. Here's how:

1. Write down the "alphanumeric" listing ode number for each listing you would like to contact. For example:

A03-21

VARIOUS LABORATORY CHEMICALS

Unopened chemicals. Call for full listing. OH

**A03-21 = 20321
on your phone's
keypad.**

2. From most any touch tone phone, dial **888-718-OMEx (6639)**. Interactive voice commands will provide detailed instructions. When prompted, enter the 5 or 6 digit number for the listing. Substitute '2' for 'A' and '9' for 'W' in the listing code. After entering each request, press the # key.

3. When you are finished ordering contact information for the listings you are interested in (up to a limit of 5 per call) the system will ask for your fax and phone numbers.

4. **Immediately**, the listing you have requested will be sent to your fax machine. If the line is busy, the fax retrieval system makes two more attempts to fax your documents.

MATERIALS AVAILABLE

ACIDS

_____ **A01- 15**
#3 MERCAPTOPROPLONIC ACID CORROSIVE
In original containers. (6) cans, 500 g each. Surplus originally purchased for inclusion into PVC resin processing. OH

_____ **A01- 09**
20-30% SULFURIC ACID
Spent anodizing solution. OH

_____ **A01- 31**
5% VIRGIN ACETIC ACID
120 drums of 5% acetic acid. Material is virgin and unopened. This material is free of charge, except cost for transportation. From Lexington, KY area.

_____ **A01- 11**
ASCORBIC ACID - USP GRADE - FCC GRANULAR
110 lbs. in drum. Manufacturer: Pfizer. OH

_____ **A01- 10**
HYPOPHOSPHOROUS ACID-50%
275 lbs. in drum. Manufacturer: Oxychem. OH

_____ **A01- 01**
SPENT PICKLE LIQUOR
Spent hydrochloric acid available. Contains about 12% iron chlorides, and 3% free hydrochloric acid. Large quantities available on a regular basis. OH

_____ **A01- 30**
SULFURIC ACID BE
The container has been in storage for several years and has never been opened. OH

_____ **A01- 29**
SULFURIC ACID
Two 55 gallon drums of sulfuric acid. OH

_____ **A01- 04**
SULFURIC ACID
Anodizing spent sulfuric acid that contains 15-20% w/w of sulfuric acid and 8-15 g/l dissolved aluminum, at approx. 3,000 gal/month. Analytical data available. OH

_____ **A01- 16**
TANNIC ACID
Technical grade. In original container. (1) 55 lb. box. Surplus originally purchased for inclusion into PVC resin processing. OH

ALKALIS

_____ **A02- 04 Confidential**
BRINE FROM MINING OPERATION
In liquid, saturated state. High sodium & calcium content make it useful for the neutralization & precipitation of hydrofluoric acid, floundes, and other acids. 6,000-18,000 gallons per day/ in tank truck or rail car. Free, user pays transportation. OH

_____ **A02- 15**
CALCIUM OXIDE - LIME
Unused surplus powdered quick lime. Free. Cleveland, OH.

_____ **A02- 11 Confidential**
DOLOMITIC LIME KILN DUST, WEATHERED
Generated from production of lime. Collected from baghouse & dust collectors then mixed with water for dust control and stockpiled on grounds. Can be used for treating acidic liquids. Present Amt: Approx. 200,000 tons with 100 tons/day thereafter. OH

_____ **A02- 16**
HYDRATED LIME
39 X 50 lb. bags of Hydrated Lime on a pallet. OH

_____ **A02- 14**
USED SODIUM HYDROXIDE (CAUSTIC SODA)
10,000 gallons of used liquid caustic soda (tomato peeling process). Has been filtered. Titration at 12 to 16%. Bulk storage. OH

_____ **A02- 17**
VERTICAL HYDRATED LIME
Thirty-nine bags, 50 lbs. per bag, shrink wrapped on skid as originally received, manufactured by Mississippi Lime Company. OH

CHEMICALS

_____ **A-03**
Antifreeze
50-50 good clean antifreeze ready to use. Will deliver, cheaper than new. 1,000's of gallons available. Ongoing. OH

MATERIALS AVAILABLE

_____ A03-178
2.00 RATIO SODIUM SILICATE DUST

Sodium silicate glass dust generated during handling and loading of 2.00 ratio anhydrous sodium silicate. Captured by baghouse dust collector. Solid state, powder-like properties. No contaminants. 15 to 20 1-ton super sacks/monthly. OH

_____ A03- 179
3.22 RATIO SODIUM SILICATE DUST

Sodium silicate glass dust generated during handling and loading of 3.22 ratio anhydrous sodium silicate. Captured by baghouse dust collector. Solid state, powder-like properties. No contaminants. 15 to 20 1-ton super sacks/monthly. OH

_____ A03- 62 Confidential
99.9% PURE CERIUM METAL
Unused, virgin metal in the original manufacturer's container. Seal is unbroken. This product is overstock. Solid 12 millimeter pieces. 200 grams available. OH

_____ A03- 29
ALUMINUM CHLORIDE
Aluminum chloride - 1 drum. Manufacturer: Dupont. Solution 32o technical. OH

_____ A03- 97
AMORPHOUS POLYPROPYLENE-GRADE 19
328 lbs. in drum. Manufacturer: Crowley Chemical. OH

_____ A03- 81
ANIONIC/NONIONIC SURFACTANT MIXTURE/DETERGENT

Cleanout from detergent manufacturing process. Bulk liquid varies between 10-30% solids. Excellent cleaner/foamer. Present Amount: 50,000 gal. with 20,000 gal/month thereafter. OH

_____ A03- 192
ANTI-FREEZE
5 gallon drum. OH

_____ A03- 100
ATOMIZED ALUMINUM POWDER-GRADE 200
500 lbs. in drum. Manufacturer: Reynolds Aluminum. OH

_____ A-03
BENZOIC ACID 
84 bags, 50 lbs each on 2 skids. Unused raw material. OH

_____ A03- 145
BETZ CORROGEN
Water treatment. In original containers. (13) 50 lb. bags. Surplus originally purchased for inclusion into PVC resin processing. OH

_____ A-03
BUD - 2000
Jeffamine Epoxy Curing Agent. Formerly product of Texaco, Jefferson Chemical Division. Urea Condensate of Polyoxypropylenetriamine. OH

_____ A03- 202
CALCIUM ACETATE
Calcium acetate, white granular powder, Mfg Mallinckrodt, in 100lb fiber drums, quality material, great price. OH.

_____ A03- 161
CALCIUM STRONTIUM PHOSPHO SILICATE
Halox SW-111. Obsolete raw material. CAS No. Chemical Composite. White powder. 3,550 lbs. - 1 full skid of 40-lb. bags, 31 loose 40-lb. bags stacked on pallet & shrink-wrapped. MSDS available. MI

_____ A03- 82
CARBON BLACK
Dust collector waste from rubber compounding operations. Mostly N990 and N550 carbon black but contains other blacks and dusty rubber chemicals. 6,000 lbs/month. OH

_____ A03- 96
CARBOWAX PEG 600
610 lbs. in 2 drums. Manufacturer: Union Carbide. OH

_____ A-03
CHEVRON OEM GREASE 10
55 Gallon Drum. OH

_____ A-03
CONTACT CLEANER
55 Gallon drum. OH

MATERIALS AVAILABLE

___ **A-03**

CYMEL 303; CYMEL 325

Modified Melamine Resin American Cyanamid Products. Liquid samples in original containers practically unused. Meant for use in baking enamels for glass or automotive finishes. OH

___ **A03- 99**

DECYL ALCOHOL

350 lbs. in drum. Manufacturer: Exxon. OH

___ **A03- 147**

DISODIUM PHOSPHATE

In original containers. (9) 50 lb. bags. Surplus originally purchased for inclusion into PVC resin processing. OH

___ **A-03**

EDR 148

Epoxy Curing Agent. Triethylene Glycol Diamine CAS No. 929599. 1 pint unopened. OH

___ **A-03**

EPOXY CURING AGENT

Jeffamine T-5000. Huntsman Corp. (formerly product of Texaco). Polyoxypropylenetriamine CAS No. 64852228. OH

___ **A03- 150**

ETHAPOL 66

In original containers. (4) 30 kg drums. Surplus originally purchased for inclusion into PVC resin processing. OH

___ **A03- 212**

ETHYLENE

GLYCOL INHIBITED

One 55 gallon drum of Ethylene Glycol Inhibited. Distributed: Worum Chemical Company. OH

___ **A03- 76**

FERRIC CHLORIDE

Ferric chloride from Elton-Colby. Originally purchased for etching use. No longer needed. In original containers (2 - 5 gal buckets) but in storage many years. OH

___ **A03- 40**

FILTROL #1

Filtrol #1. Manufacturer: American Norit. 117 bags. OH

___ **A03- 94**

FILTROL GRADE 4

Clay filtering medium. 400 lbs. in 50 lb. bags. Manufacturer: Harshaw/Filtrol. OH

___ **A03- 209**

FOAMING AGENT (CELOGEN AZ 180)

Unused foaming agents in 50 lb. bags. Manufacturer - Crompton Chemicals, Inc. MI

___ **A03- 151**

GLYCOMUL F-GRADE

Food grade thickening agent. In original container. (1) 200 lb. drum. Surplus originally purchased for inclusion into PVC resin processing. OH

___ **A03- 98**

HEXADECYL ALCOHOL

386 lbs. in drum. Manufacturer: Glidden. OH

___ **A03- 93**

ISO BUTYL ACETATE

396 lbs. in drum. Manufacturer: Ashland. OH

___ **A03- 201**

ISOCYANATE

16 - 19% Isocyanate adhesive. Slightly contaminated. MI

___ **A03- 173**

ISOPROPYL ALCOHOL 70-80%, BYPRODUCT

Material consists of 70-80% isopropyl alcohol byproduct from production of polymers and graphic arts materials. 5,500 gallons every 10 days. OH

___ **A03- 146**

KLUCEL

HYDROXYPROPLYCELLULOSE TYPE J

In original containers. (3) 800 lb. drums. Surplus originally purchased for inclusion into PVC resin processing. OH

___ **A03- 194 Confidential**

LABORATORY CHEMICALS

Various sizes of laboratory chemicals / raw materials, resins, pigments, solvents, additives, defoamers, etc. Thousands of gallons. OH

___ **A03- 92**

LEAD POWDER F-OIL

364 lbs. in drum. Manufacturer: Glidden. OH

A03- 204
**METHYL TUADS, BUTAZATE
POWDER, VAROX 231,
HYDRANAL CONLAMET AG
OVEN**

3 powder, one liquid. Varox 231 - organic peroxide. MI

A03- 38
MONOETHANELAMINE

Monoethanelamine - industrial grade. Manufacturer: Carbide & Oxychem. 48 drums. OH

A03- 51
**MONOETHANOL AMIDE
BORATE**

Monoethanol amide borate - industrial grade. Manufacturer: Werner G. Smith, Inc. 115 drums. OH

A03- 143
MONSANTO - SANTICZER

In original containers. (16) 450 lb. drums. Surplus originally purchased for inclusion into PVC resin processing. OH

A03- 144
MOWIOL HOECHST

In original containers. (10) 25 kg bags. Surplus originally purchased for inclusion into PVC resin processing. OH

A03- 148
NIACET CALCIUM ACETATE

In original containers. (1) 100 lb. drum. Surplus originally purchased for inclusion into PVC resin processing. OH

A03- 95
POLYGLYCOL L-200

515 lbs. in drum. Manufacturer: Dow Chemical. OH

A03- 120 Confidential
**POLYURETHANE CATALYSTS
& SURFACTANTS**

3,585 lbs. in drums and 5 gallon pails. OH

A03- 184 Confidential
**PRECIPITATED SILICA -
SILICA FILTER CAKE**

High purity silica that fails to meet customer specification due to contamination levels at the PPM level. MSDS available. Non-hazardous. 20 yards/week. OH

A03- 172
**REACTIVE POLYAMIDE
RESIN**

Union Camp X36-558-87 (2408). Obsolete raw material. CAS No. 68082-29-1 (polyamide resin, 69.8%), 68515-49-1 (diisodecyl phthalate, 30%), 112-24-3 (triethylenetetramine, 0.2%); viscous liquid with amine odor. 2,640 lbs. in (48) 55-gallon drums. MSDS available. MI

A03- 115
**RECYCLED ANTIFREEZE
READY TO USE**

50-50 good clean antifreeze ready to use. Will deliver, cheaper than new. 1,000's of gallons available. OH

A03- 210
SODIUM PERCARBONATE

Wuxi Wanli Chemicals Co., Ltd., which is certified by ISO9001-2000, specializes in manufacturing and exporting sodium precarbonate (sodium carbonate peroxide). Our company established in 1992 & our annual output is 20,000 tons. China

A03- 180
**SODIUM SILICATE (ANHY-
DROUS)**

Sodium silicate glass over-spill generated during production, handling and loading of sodium silicate glass. Solid form. Minor contaminants (dirt, etc.). Present Amount: 5 tons with approximately 20 yards/month thereafter. OH

A03- 177
**SPENT DIATOMACEOUS
EARTH (FILTER AIDE -
CELITE 545)**

Spent filter aide used to filter liquid sodium silicate in a pressure leaf filter. Material in solid state with 5% water. Silica-based contaminants. 15 to 30 55-gallon drums/monthly. OH

A-03
SPENT FERRIC CHLORIDE

36 degrees Baume - used in manufacture of stainless steel nameplates. Very small amount of brass possible. 8-50 gal drums. Ongoing quantity: 6 drums / qtr. OH

A03- 152
STATE CHEMICAL

Water treatment. In original containers. (5) 55 gal. drums. Surplus originally purchased for inclusion into PVC resin processing. OH

A03- 185
SULFINOL

Distilled for reuse. 34% sulfoland, 54% DIPA, 10% water, .065 heat stable salts. 75 SPHA color. Samples available upon request. Will ship bulk or drums. IN

MATERIALS AVAILABLE

_____ **A03- 103**
TERGITOL TMN-10 NON-IONIC SURFACTANT

600 lbs. in drums. Manufacturer: Union Carbide. OH

_____ **A-03**
TEXACO ACCELORATOR 399

For curing epoxy resins. Now from Huntsman Corp. Triethanolamine CAS No. 102716, Piperazine CAS No. 110850 & N-Aminoethylpiperazine CAS No. 140318. OH

_____ **A03- 193**
WOODLIFE

Wood preservative. 45 gallons in drum. OH

SOLVENTS

_____ **A04-25**
ACETONE

Approximately 95%. Yellowish/water and oil as contaminants. 15 drums/week available. OH

_____ **A04- 27**
DENATURED ETHANOL

Slightly used but very clean denatured ethanol. Used in clean room applications as a dip to clean ultrapure finished parts. Present Amount: 2 - 55 gallon drums with 2-4 drums/month thereafter. OH

_____ **A04- 26**
NIACET CALCIUM ACETATE

In original containers. (1) 100 lb. drum. Surplus originally purchased for inclusion into PVC resin processing. OH

_____ **A04- 31 Confidential**
SPENT TRICHLOROETHYLENE

Spent TCE liquid and solid (soaked rags, sludge, etc.) derived from degreaser used for cleaning buffing compound and debris from aluminum vehicle wheels. Liquid: 400 gallons/month. Solid: 14,000 lbs/month. OH

_____ **A04- 34**
WATERPROOFING MEMBRANES - SOLVENT & EMULSION BASED

Various types of waterproofing membranes. 1,600 gallons in (30) 55 gallon drums. Consists of rubber, polymers & asphalt. Some are solvent based, some are emulsion based. Both are mixed with varying amounts of fuel oil, water, solvent-emulsion or all of the above. The state varies from liquid, sludge or solid. MI

OILS & WAXES

_____ **A06-12**
NON-HAZARDOUS SCRAP OIL

Scrap transformer oil. No PCB's, can provide MSDS. Stored inside. Present Amount: (14) 55-gallon drums with 8-12 drums every 4 months thereafter. OH

_____ **A06- 13**
WHITE MINERAL OIL

Duoprime oil 200. Unused virgin mineral oil in manufacturer's drum. 1 drum. Manufacturer: Lyondell Lubricants. OH

PLASTICS

_____ **A07-79 Confidential**
#2 HDPE

Fortiflex high density polyethylene bottles that have been triple rinsed. The melt index of the bottles is 0.27 g/10 min (190c/2150g). OH

_____ **A-07**
#2 PLASTIC JUGS

We would like to work with a company by supplying #2 plastic jugs in exchange for money for new playground equipment for our park. OH

_____ **A07- 07**
ACRYLIC (PLEXIGLASS)

Plexiglass sheet scrap from picture frame manufacturer with paper masking. 500 lbs./week available. OH

_____ **A07- 101**
ACRYLIC SHEET SCRAP

Virgin acrylic scrap cut from sheet stock of various colors and manufacturers. MI

_____ **A07- 32**
ACRYLIC SHEET CUT OFFS

Clear and white acrylic in sheet form, lighting grade. No masking, clean. Present Amount: 10 gaylords with 8-10 gaylords/month thereafter. OH

_____ **A-07**
ANTI-FATIGUE MATTING

Entrance mats, all sizes and textures. We carry hardwood and laminate flooring as well. We are the lowest in the country as far as pricing with the best products. GA

MATERIALS AVAILABLE

A07- 78
DISPOSABLE VINYL GLOVES -
GENERAL UTILITY, FOOD
SERVICE, MEDICAL

Ambidextrous, first run, virgin, powder free, non-allergenic vinyl gloves. 100 pallets @ 48 cases each. Cartons of 500 or 1,000, variety of styles, sizes, weights. Warehoused in TN.

A07- 76
EPDM 1440

20 blocks at 75 lbs. each. OH

A07- 77
EPDM 2470

Virgin pellets in 8 bags. 55 lbs. per bag. OH

A07- 73
EXPANDABLE POLYSTYRENE
Three physical states: heat densified - color white to black; compacted log form - white color; fine beads - virgin form. 40,000 lbs./3 months. OH

A07- 96 Confidential
GRANULATED VINYL SIDING
Granulated vinyl siding in plastic lined Gaylord boxes on skids. Multicolor. 30,000 to 35,000 lbs. available immediately in Mansfield, OH.

A07- 43
HDPE REGRIND
Drums, pails, ICB's that are ground up and 5/8" flakes. Mixed color. 44,000 lbs/week available. OH

A07- 84
HDPE SQUARE BOTTLE
64 ounce. 4,800 available, bulk packaging. 89-400. OH

A07- 50
KODAFLEX PLASTICIZER
In original containers. (3) drums. Surplus originally purchased for inclusion into PVC resin processing. OH

A07- 100
MIXED ABS PELLETS
Mixed ABS pellets from railcar heels, silo washings, etc. OH

A07- 97 No
OPEN MOUTH POLY BAGS
16" x 26" and 16" x 32". Both black and white opaque bags. All are 6 mil thick. OH

A07- 12
PC OPTICAL COATED LENS,
CA, CAP, CAB, NYLON 6 & 66,
ABS, PET AND ACRYLIC
Post industrial first generation regrind or baled scrap. Most grinding and baling done on site from parts, runners and lumps. Also have prime producer PET bottle / molding grade pellets. Continuous truckloads available. MD, MI or MO.

A07- 21
PEF SHEETS, FREE
PVC top and PP foam bottom. Pliable, various colors. Maximum 1/8" thick. From automotive parts production. 100,000 lbs./year in gaylords or baled. OH

A07- 46
PLASTIC FILM FROM PRINT-
ING PRESS
Polyester or plastic film that runs through a developer and a rinse bath in camera then goes to press for printing. Product is about 8mm thick. We use about 10,000 feet per year. OH

A07- 66
PLASTIC TUBES
PP #5. 3 sizes: 126" long x 3 5/8" diameter, 151" long x 3 5/8" diameter, 155" long x 3" diameter. Clean. Present Amount: 150 with 30-50/quarterly thereafter. OH

A07- 03
POLY FILM, BALED
Poly film, baled, not recycled. 30,000 lbs./month. OH

A07- 102
POLYETHYLENE FOAM
Overruns of Polyethylene LDPE extruded foam for use under floors for cushioning. Also may have a LDPE .003 film laminated to the foam in some instances. OH

A07- 71 Confidential
POLYPROPYLENE SCRAP
Narrow diameter extrusion scrap. Mixed colors. Approximately 2.75" long, some purging. 18 gaylords. FOB Mentor, OH

A07- 105
POLYSTYRENE SCRAP IN
BAGS
Polystyrene scrap in bags. 1 truck-load typically available. OH

MATERIALS AVAILABLE

_____ **A07- 39**
POLYURETHANE, GREY & BROWN. OVERFLOW.
Generated by automobile component manufacturer. 5,392 lbs./month available. MI

_____ **A07**
PP/PE PELLETS - PP/PE DIAPER SCRAP
with 5-7% cellulose fiber content is available in California pellet (CPM) form. Pellet size is 1/4 in. diameter by 1/4 to 3/8 in. long-mostly white w/ some mixed colors. Up to 120,000 lbs. per week. Pricing is USD \$.125 cents per lb. CA

_____ **A07- 83**
PP CAP WITH PRESSURE SENSITIVE LINER
5,200 available, bulk packaging. 89-400. OH

_____ **A07- 82**
PVC
Virgin vinyl from fence and decking materials. 4 gaylords every 6 weeks. OH

_____ **A07- 74**
PVC
PVC regrind, mixed colors. 40,000 lbs. every 2 months. OH

_____ **A07- 05 Confidential**
PVC COMPOUND
Post production PVC purge. Present amount: 15 gaylords with 3 gaylords/month thereafter. OH

_____ **A07- 72 Confidential**
PVC REGRIND
Blister film regrind in plastic lined gaylords. 36 gaylords/6 weeks. FOB Mentor, OH

_____ **A07- 06**
RECYCLED INDUSTRIAL PLASTIC RESINS
Post industrial - HDPE, PP, HIPS, PC. LTL or truckload quantities. IN

_____ **A07- 53**
SILICA FILLED HDPE
1/8" chopped flake amorphous silica filled PE. 65% by weight - amorphous silica. 25,000 lbs./month available. OH

_____ **A-07**
TOTER WHEELED CARTS
1200+/- 96-gallon with split lids and container dividers. The containers are slightly weathered from outdoor storage but have been cleaned. They were used for several six-month recycling pilot projects and are no longer needed. OH

TEXTILES & LEATHER

_____ **A08-08**
FIBER BLEND LOW MELT POLYESTER FIBER BLENDED WITH POLYPROPYLENE
Material is heat formed. Excess material cut off and transferred to baler. There are no known hazards when producing these fibers. Approx. 72 bales weekly weighing approximately 87,000 lbs. OH

_____ **A08- 09 Confidential**
MIXED CLEAN WINTER USED CLOTHING
We sell mixed clean winter used clothing (winter jackets, sweaters, sport coats and sport jackets) in 1000 lb bales. Our price is .05 cents per pound or make a reasonable offer. E-mail us back if interested at mkalu@dr.com. Thank you! NC.

_____ **A-08**
THINSULATE DIE CUTTINGS
Dayton area company generates about 25 tons per month of clean baled thinsulate die cuttings.. The material is 40-60% spun-woven polypropylene and spun woven PET. We are looking for a company interested in receiving this material on an ongoing basis. OH

_____ **A08- 07 Confidential**
YARNS, FABRICS & THREADS; VARIOUS BLENDS & COLORS
Unsegregated scraps of yarns, fabrics & threads consisting of various content blends & colors. Approximately 10,000 lbs./month. OH

 A-08
WORK GLOVES
All Types. OH

PAPER

 A09-02
COMPUTER PAPER
Scrap & shredded office paper.
4,000 lbs./4 times per year. OH

 A-09
DIE CUT SKELETONS
Of composite clutch lining material
comprised of cured phenolic resin,
carbon fibers and particles, and
kevlar fibers. May be used as friction
or composite filler once it is ground or
shredded. OH

 A09- 15
GAYLORD BOXES
Used gaylord boxes. 50"L x 41"W x
38"H, triple walled. 2 truckloads/
week available. WV

 A09- 21
**NEW 2-SIDED COLOR PRINT
PAPER; GENERAL MIXED
BUSINESS PAPER; CARD-
BOARD**
Paper-various, approximately 1200
cubic feet. All located in Troy, Ohio
area.

 A09- 01
PAPER, CORRUGATED BOXES
Scrap paper from office operations.

Paper dust from grinding of book
edges. Paper could be coated or
uncoated and may contain small
percentages of ink and adhesive.
15-25 tons/month available. OH

 A09- 20
PAPERMILL SLUDGE
Papermill sludge. Non-hazardous
fiber/water content process
by-product. 40% fiber. TCLP on
file.

 A09- 13
**PRESSED CARDBOARD CORE
INSERTS**
Pressed cardboard round coil inserts
approximately 18" in diameter. 700/
month available. OH

 A09- 19
RECYCLED PAPER FIBER
Recycled paper fiber with some
plastic and styrofoam and small
amounts of grit, glass and staples.
Present Amount: 200 tons with 30
ton/day thereafter. OH

 A09- 08 Confidential
WOOD PULP
Fluff wood pulp in 400-500 lb. bales
with trace amounts of polypropylene.
Present amount: 40,000 lbs. with
20,000 lbs./month thereafter. OH

METALS

 A10-58
**1/2 & 5/8 INCH DIAMETER OIL
TEMPERED MB WIRE COILS<
MOST WITH CERTIFICA-
TIONS**
Oil tempered wire in coils approxi-
mately five feet in diameter. 180,000
PSI tensile. OH

 A-10
**ALUMINUM HYDROXIDE
FILTERCAKE**
40000 lbs. aluminum hydroxide
filtercake from anodizing operations.
Approx. 50-50% water. Can be used
to produce alum or water treatment
products. PA

 A10- 42
**ALUMINUM SHAVING, COP-
PER SHAVINGS, PIECES**
Shavings and turnings and pieces of
raw copper and aluminum parts that
are machined. OH

 A10- 09
**ATOMIZED ALUMINUM
POWDER-GRADE 200**
500 lbs. in drum. Manufacturer:
Reynolds Aluminum. OH

.001 x 1.625 +/- .005. Form: Coil
48" O.D. with 16" I.D. OH

MATERIALS AVAILABLE

_____ **A10- 43**
COPPER, SQUARE BAR
2" X 2"
New, not scrap. 8,000 lbs. Over-
bought. Sale or trade.

_____ **A10- 02**
FLAT ROLLED METALS
Flat rolled metals available in truck-
loads most gauges and sizes. Carbon
stainless and aluminum. Blanks and
sheets. Prime drops generated during
production. Save thousands. OH

_____ **A10- 04 Confidential**
GALVANIZE BAGHOUSE DUST
Baghouse dust from galvanizing line
fume collection system. Contains 22%
chlorine, 15% aluminum, 13% zinc
and 6% ammonia by wet weight.
Density is 320 lb/yd³. 20 tons/mth
available. Sample and analysis avail-
able. OH

_____ **A10- 01**
GRINDING MUD
Grinding mud that is a metallic waste
resulting from process machining and
grinding of cast iron parts contami-
nated with coolants, oils and media.
Analysis available. 200 tons available
monthly. OH

_____ **A10- 40**
IRON OXIDE
Iron oxide, by-product from acid
regeneration from pickling operations.
High quality >99% iron oxide. 25 to
125 microns in size. Up to 7,000
tons/year. WV

_____ **A10- 08**
LEAD POWDER F-OIL
364 lbs. in drum. Manufacturer:
Glidden. OH

_____ **A10- 56**
METAL GRADING SLUDGE
Metal grading sludge from copper
recycling process. >90% Iron, the
rest is made up of nickel, cobalt.
OH

_____ **A10- 34**
NICKEL PLATING SOLUTION
Spent electroless nickel plating
solution. Approximately 5,500 ppm
of nickel. PH approximately 4.5.
10,000 gallons/month. MI

_____ **A10- 36**
RECYCLED BY-PRODUCT
Recycled by-product consisting of
64% aluminum oxide, 21% zirconium
oxide and 15% silica. Available in
170 & 325 mesh. 200,000 lbs./
month. NJ

_____ **A10- 27**
SCRAP METALS
All non-ferrous and ferrous scrap
metals. OH

_____ **A10- 10**
SCRAP METALS
All non-ferrous and ferrous scrap
metals. OH

_____ **A10- 16**
SPENT CAST IRON SPILLS
Non-hazardous green spent sand
containing 5-10% gray & ductile iron
spills. Can be loaded into a supplied
rolloff container. Present amount: 200
ton with 15 tons/month thereafter.
OH

_____ **A10- 39**
STAINLESS STEEL
Cold rolled annealed ASTM A240/
A167. Mill finish (RB80 hardness) 3/
16 or .37. Coils - 16" ID x 24" OD.
13,000 lbs. OH

_____ **A10- 30**
STAINLESS STEEL TUBING
304 stainless steel tubing. .875 OD x
.120 wall. Grade TP 304. Conforms
to ASME SA-213. Present Amount:
1,000 ft. in 20 ft. lengths. OH

_____ **A10- 03**
STEEL & IRON - IRON SCRAP
FINES & COARSE
Various amounts of iron scrap and
fines from foundry mill room opera-
tion. Shot blast refuse, sweepings,
fines, and dust collection. Facilities in
Cincinnati, Decatur and Fort Wayne.
IN, OH

_____ **A10- 13**
STEEL SHOT / BAGHOUSE
DUST
Steel shot (grade S-280) contami-
nated with steel dust, aluminum (alloy
380) 25% and walnut shells. Material
collected in our baghouse. Present
amount: 2.5 cubic yards with 6 cubic
yards/month thereafter. OH

_____ **A17- 57**
**ABRASIVE GRINDING
WHEELS**
Used, original size 25x3x12. Present
Amount: 100 with 25/week thereafter.
OH

_____ **A17- 29**
ABS PLASTICS SLUDGE CAKE
Non-hazardous ABS plastics sludge
cake recovered from process waste-
water treatment. 30-40% solids,
4,000 btu/lb heat value. 140 tons/
week recurring. OH

_____ **A17- 98**
ALKALI METAL SALT
Alkali Metal Salt; has been blended by
receiving customers to make potas-
sium rich potash for fertilizer. Product
is ~30-40% KCl; 60-70%
NaCl; Trace amounts; Ni, Cr, Mg,
Fe. PA

_____ **A17- 58**
ALUMINUM OXIDE DUST
Spent aluminum oxide from industrial
sand blasting operation.
Non-hazardous, analytical available.
10 tons/month available. OH

_____ **A17- 101**
**AMERICAN PULVERIZER/
SHREDDER**
Each unit is complete and in good
condition. Have new spare parts,
model no. S 72 x 108 RF; Units
used to make bulky items into smaller,
denser, uniform sizes. OH

_____ **A17- 68**
**AMORPHOUS PRECIPITATED
SILICA**
Physical form is a white powder but
may be contaminated with dirt or gray
specs. Normally generated from floor
sweepings, process fines and discon-
tinued product. Absorbs water-based
liquids. Present Amount: 5 tons with
.5 tons/week thereafter. OH

_____ **A17- 35**
**BLACK BEAUTY ROOFING
GRANULES FROM BLAST
OPERATIONS**
Spent roofing granules from blasting
operation (non haz). Fine to coarse.
Present Amount: 30,000 ton. OH

MATERIALS AVAILABLE

Generated by edge trimming of fabric
reinforced rubber conveyor belts.
0.2" to 1.5" wide, 200 to 3,000 ft.
continuous length. 50,000 lbs./month.
OH

_____ **A21- 10**
UNCURED SCRAP RUBBER
Natural rubber cleanouts; nitrile,
SBR, EPDM's with compounded
ingredients, rubber chemical disper-
sions. 6,000 lbs./month available. OH

MATERIALS AVAILABLE

A21- 21
VULCANIZED RUBBER SCRAP

A rubber lathe cut manufacturer has fully vulcanized clean rubber waste generated in the cutting process. Consists of various polymers and colors (mostly black). 30,000 tons/month. OH

A21- 27
WET MIXED VULCANIZED RUBBER FINES

A rubber lathe cut manufacture has fully cured rubber fines fro the grinding process. This would consist of various polymers and colors. Moisture content around 40% and can be used as a fuel (7700 BTU] or as a filler. Possibility we can deliver. OH

REFRACTORY MATERIAL

A22-02
REFRACTORY MATERIAL
Clean, fired clay. Collector fines to coarse. Cone 30. 80 tons/month available. OH

SAND

A23-07 Confidential
DRY SAND, DAMP SAND**
Non-toxic sands, various sizes. 60,000 tons. OH

A23- 02
NON-TOXIC SPENT FOUNDRY SAND**

Generated from aluminum and iron foundry. May be used under the Ohio EPA Beneficial Reuse Policy. Potential uses (not limited to): flowable fill, brickmaking, concrete, landfill cover, asphalt, mulching, etc. Present amt: 400,000 tons with 100 tons/wk. OH

A23- 08 Confidential
PURIFIED SILICA**
Material is the result on an acid neutralization process. 90% silica, 5% sodium, 5% fluoride. MSDS available. Non-hazardous. 40 yards/week. OH

A23- 01
SAND - SPENT FOUNDRY**
Spent foundry sand from iron foundry. 480 tons per month. Meets Ohio EPA criteria for beneficial reuse without notification. Facilities in Cincinnati, Decatur and Fort Wayne. IN, OH

A23- 09
SPENT FOUNDRY SAND**
Foundry sand (silica sand + sodium silicate + trenol hardner). TCLP test passed. OH

A23- 05 Confidential
SPENT FOUNDRY SAND**
Spent foundry sand from a ferrous foundry. Approximately 150 tons per year available. OH

SERVICES

A24-12
OIL RECLAMATION
Recycle your used hydraulic oil, paper machine oil, cutting oil. turbine oil, transformer oil, circulating oil, etc. back to useful service with a cost savings. OH

A24- 03
RECYCLING CLOSEOUT BUYER

SERVICES TO MAKE CHEMICALS MORE SALEABLE
To make chemicals more saleable, our company blends, repackages, grinds, demasses, classifies, agglomerates, calcines, dries, centrifuges, compounds, flakes, reacts and tablets chemicals. Have 38 years of toll contract manufacturing experience. OH

A24- 04
SURPLUS PROCESS EQUIPMENT
Buy, sell, and brokers surplus process equipment on the "web" and satellite system 24 hours/day. Speciality is large (200 H.P. plus) A.C. and D.C. electric motors and electrical switchgear. LA

A24- 11
TONER CARTRIDGE RECYCLING
Toner cartridges for printers, copy and fax machines. Wanted used one time cartridges for remanufacture. Available remanufactured cartridges. OH

A24- 05
WAREHOUSING
Third-party contract services in distribution and supply-chain management, in-depth manufacturing support; micronization, packaging, testing sampling processing polymer resins. Foreign-trade zone services and operations; material handling equipment. OH

A24- 02
WASTE EQUIPMENT
Balers, compactors and rolloff equipment. OH

A24- 07
WOOD PRODUCT GRINDING
Custom wood grinding service. Will grind on-site. Wood products such as pallets, wood by-products, trees, brush, etc. Grinder will separate light gauge metal from wood. Material disposal available. OH

WOOD

A25-49
3/4" MDO (EXTERIOR)
Crafted and painted on both sides. 22" x 72" with four 3/8" holes drilled into. 500+/year. OH

A25- 08
ASSORTED LENGTHS SCRAP WOOD & SAWDUST
Scrap wood, 2x4/2x6/2x8 with lengths from 0" to 48" mixed with sawdust. Material is the cutoffs from our truss production plant. Present amount: 60 cubic yards with 3 cubic yards/week thereafter. OH

A25- 56
BROKEN SKIDS
Miscellaneous crating wood of various sizes. Contains some nails and staples. 60 yards/month. Looking for someone to pickup weekly. Southwest OH

A25- 55
CCA TREATED 4" X 4" CUTOFFS
1'-3' treated cutoffs. For blocking, landscaping, etc. \$.10 each picked up in Akron, OH

A25- 52 Confidential
CHARRED WOOD CHIPS
From smoke generator used in meat smokehouse. Moisture content: 77%. Total volatile solids: 54,000. Ash content: 0.27%. No contaminants. 17,108 lbs/week. KY

A25- 28 Confidential
CLEAN DRY SCRAP HARDWOOD & DRY & GREEN SAWDUST, RIPPINGS & TRIMMINGS
Kiln dried ripping strips. End cuts from defecting area, all .75" thick, various lengths (1-20 yard dumpster daily). Sawdust (9 tons daily). OH

A25- 46
FREE WOOD SKIDS
Most in good condition. Located in southwestern OH

A25- 51
GROUND WOOD - PLASTIC MIX
Clean hardwood shavings mixed with plastic shavings. 99% wood, 1% plastic. Unlimited supply. OH

MATERIALS AVAILABLE

_____ A25- 21
GROUND WOOD (PALLETTS, TREES, ETC.)

Landfill operation - grinding wood waste, palletts, etc. Present amount: 300 tons with 300 tons/month thereafter. WV

_____ A25- 62
KILN DRIED WOODS

Kiln dried woods, various lengths, maple(hard,soft,curly), oak, cherry, mahogany, makore, hickory. 4/4 to 8/4, various mill over runs of mouldings in cherry, oak, poplar. Most will not cost over \$3/bd-ft or linear ft. Willing to deal.

_____ A25- 42
KILN DRIED HARDWOOD SHAVINGS / SAWDUST

Kiln dried mixed-hardwood planer & moulder chips. 1/2" - 3/4" average particle size, with limited fines. Excellent for agri-type bedding. Direct air feed into van trailer operations. Truckload every 15-20 days, perpetual basis. Located SE IN

_____ A25- 19
MDF

4'x4' sheets of MDF with shapes cut out. Clean. Present amount: 50 sheets with 50 sheets/week available thereafter. OH

_____ A25- 20
MDF DUST

MDF dust collected in plastic bags during the routing and sanding of small pieces. Clean. Excellent in mulch. Present amt: 300 lbs. with 300 lbs./week available thereafter. OH

_____ A25- 15
MISC. LUMBER, WOOD BOXES, BROKEN WOOD PALLETTS

Miscellaneous lumber, wood boxes and broken wood palletts. Approx. 10 tons/month available. OH

_____ A25- 48
OSB SHEETS

Off-fall from structural insulated panel operation. Good condition with only minor adhesive film on back side. Sizes vary from 2'x4' to 3'x8'. All material is 7/16" thick. Present Amt:20,000 ft.2 bundled with 4,000 ft.2/month thereafter. OH

_____ A25
PARTICLE BOARD

With melamine and plastic laminate on surfaces. OH

_____ A25- 45
PARTICLE BOARD

Smooth finish particle board, similar to that used for counter tops under formica. Product was used for shelving in an automated warehouse system. 600 boards: 2" thick, 42"x50". 3,000 boards: 3/4" thick, 24"x48". OH

_____ A25- 22 Confidential
PINE LUMBER

Rough sawn & S-4-S. Untreated or pressure treated. Variety of sizes and lengths available. Ideal for crates, palletts, building projects, fencing decks or siding. OH

_____ A25- 40
PLYWOOD FROM FORMING

3'-4'-5'-6'-8' x 24" x 1/2"-5/8" plywood removed from concrete forms. Good for any type of building project. Cleaned and stacked on palletts. 1 piece to semi truck load available, 100 skids. OH

_____ A25- 03
SCRAP PALLET WOOD

99% of our waste is off fall from cutting boards and stringers. Contains nails that have been sawed on bandsaw. 80 cu. yds. week available. OH

_____ A25- 31 Confidential
SCRAP WOOD, SCRAP CONSTRUCTION WOOD AND PALLETTS

Generate over 2 tons of wood waste in 2 months. 100 usable wood palletts available. OH

_____ A25- 06 Confidential
VENEER WOOD CHIPS

_____ A25- 44
WOOD CHIPS

Ground mixed hardwood, single or double ground. Clean. Present Amount: 10,000 yards with 1,000 yards/week thereafter. OH

MATERIALS AVAILABLE/WANTED

_____ **A25- 58**

WOOD PALLETS, LARGE AND SMALL

Used pallets from 12' x 6' to 4' x 4'. Some good, usable. Some to recycle. Semi load every 3 months. OH

_____ **A25- 50**

WOOD SCRAP

Clean wood scrap and pallets available for grinding or boiler fuel. Unlimited supply. OH

A-25

WOOD SHAVINGS

AND SAWDUST

available for animal bedding, fuel, ect. Delivery by 35 yd. truck or by 135 yd. semi. Ongoing, large quantities of wood available. IN

_____ **A25- 34 Confidential**

WOOD SHIPPING CRATES WITH LIDS

Empty wood crates of various sizes (77"x25"x22", 25"x10"x17"). Present Amount: 35 with 30-80/month thereafter. OH

_____ **A25- 60**

WOOD TOP FRAMES

Free, cannot deliver. Wood top frames 44 x 56 inch picture frame used in shipping materials. Pine wood about 1 inch thick. Good condition.

MATERIALS WANTED

ACIDS

_____ **W01-01**

ACIDS - H2SO4 AND/OR HNO3.

Spent H2SO4 OR HNO3 for use as a scrubbing agent to take ammonia out of the air. Need roughly 2.5-3.5 million lbs./year dry weight of H2SO4 and roughly 1.1 million lbs of HNO3 by dry weight. OH

_____ **W01- 02**

FERRIC CHLORIDE SOLUTION SPENT

Need spent ferric chloride solution. Heavy metals are no problem. Shipped on a bill of lading as product. MO

_____ **W01- 03**

FERROUS OR FERRIC SULFATE MATERIAL

Need ferrous or ferric sulfate material for reuse. Unlimited amounts in drum or bulk wanted. MO

_____ **W01- 06**

PHOSPHORIC ACID

_____ **W01- 04**

SPENT SULPHURIC ACID

Need spent sulphuric acid, 5-8% acid, 2-3% iron content. Heavy metals no problem. Organics in trace amount no problem. Unlimited amounts wanted. Must be shipped in bulk tankers. MO

_____ **W01- 05**

UNUSED CHEMICALS - DO NOT PAY FOR DISPOSAL

We accept unused chemicals of all kinds, mostly weights of 1,000 - 10 million lbs. per chemical. Out-of-date chemicals accepted. Accepted from US and Canada. E-mail is the best way to contact us.

ALKALIS

_____ **W02-08**

CAUSTIC SODA SPENT MATERIAL

Some restrictions on contamination apply. Ship in tanker truck loads only. Can accept multiple tanker truck loads per week, depending on strength. OH

_____ **W02- 04**

POTASSIUM HYDROXIDE SPENT MATERIAL

Need spent hydroxide material. Heavy metals no problem. Shipped on a bill of lading as product. MO

_____ **W02- 05**

SODIUM HYDROXIDE SPENT MATERIAL

Need spent hydroxide material. Heavy metals no problem. Shipped on a bill of lading as product. MO

_____ **W02- 01**

SPENT SODIUM HYDROXIDE SOLUTION

Wanted for recycling. Current needs are 90,000 lbs. dry weight daily. Looking for company who produces large quantities as byproduct. Will buy if quantity and quality meets our needs. IN

MATERIALS WANTED

W02- 06

UNUSED CHEMICALS - DO NOT PAY FOR DISPOSAL

We accept unused chemicals of all kinds, mostly weights of 1,000 - 10 million lbs. per chemical. Out-of-date chemicals accepted. Accepted from US and Canada. E-mail is the best way to contact us.

W02

USED CAUSTIC SODA.

Basic Parameters: 1) The product must be delivered in full tanker-load quantities only. 2) A regular (even if infrequent) stream is more beneficial to us than a single shipment. 3) The analysis of the stream must be relatively consistent with only minor variations between shipments (once we have established mutually acceptable parameters). 4) Material must not contain hazardous organic constituents on the UTS list found in 40 CFR part 268 at a level above the treatment standard. (Call if you are not familiar with this.) 5) The neutralizing capacity should be at least equivalent to 120g/L of NaOH. (This is negotiable, depending upon the specific stream.) 6) The waste must not contain excess solids, 3% by weight, as a general recommended limit. OH

CHEMICALS

W03

ANTIFREEZE

Recycling cleans used antifreeze for reuse and collects unwanted used antifreeze. Recycling process is done onsite. Prefer 50 gallons or more. OH

W03- 13

ANY FOOD ADDITIVE PRODUCT

Want to buy any food additive product: ascorbic acid, benzoic acid, acetic acid glacial, ammonium sulfate food grade, gelatin (edible), citric acid, cream of tartar, etc. In good chemical condition/original manufacturer's specs. MEXICO

W03- 08 Confidential

FREON, FREON TF, GENESOLVD, FREON 113, HALONS, SOLVENT TF

Virgin, new and unused, recovered, reclaimed. TX

Computers needed for non-profit church learning center. Donations gratefully appreciated. OH

_____ **W14- 20**
**COMPUTERS AND COMPUTER
COMPONENTS**

Computers - Pentium level and above. Also computer components. Refurbished units go to low-income people.

_____ **W14- 19**
**ELECTRONIC & COMPUTER
SCRAP**

We recycle electronic and computer scrap. Pick up and delivery options available. Visit: www.scrapmetal.org or www.scrapiron.org for more information. WA

_____ **W14- 10 Confidential**
ELECTRONIC SCRAP

Black/white monitors, printers, keyboards, CPU's, printed circuit boards, disk drives and power supplies wanted. Will pick up depending on quantity. Any amount wanted. TX

_____ **W14- 12**
ELECTRONICS

Computers, printers, servers, CD-roms, hard disks, software, monitors, etc. OH

_____ **W14**
EMPTY/USED INK LASER

and toner cartridges for our recycling program to help raise proceeds for needy kids. OH

_____ **W14- 01**
FLUORESCENT BULBS

Fluorescent light tubes wanted for recycling. No restrictions on amount. Will accept in bulk, drums, boxes and on pallets. OH

_____ **W14- 07**
**FLUORESCENT LAMP
RECYCLING AND MERCURY
RECLAMATION**

Batteries, ballasts, transformers, computers and mercury device recycling. OH

_____ **W14**
LASER , TONER

And inkjet cartridges (used) for printers, faxes and copiers that have never been recycled before. OH

_____ **W14- 04**
**MERCURY BEARING WASTE,
LAMPS, LAMP BALLASTS,
BATTERIES, COMPUTERS AND
ELECTRONICS**

_____ **W14- 18**
**SCRAP ELECTRONICS AND
USED PC MONITORS**

We are looking for scrap electronics and used PC monitors. Belgium

_____ **W14- 14**
**TONER & INK JET CAR-
TRIDGES (EMPTY)**

Free pickup in major Ohio metropolitan areas. HP, Lexmark, Tektron IX. 1,000 units/month wanted. OH

_____ **W14- 16**
TONER CARTRIDGES

Used, empty toner cartridges for printers, copy and fax machines for remanufacture. OH

GLASS

_____ **W15-02**
**AMBER, FLINT, AND GREEN
GLASS**

Color sorted food and beverage containers from curbside collection, drop off locations or material recovery facilities. PA

MATERIALS WANTED

MISCELLANEOUS

____ W17-33 ALUMINA

Scrap refractory beads or other alumina by-products; alumina trihydrate. No location, amount or packaging restrictions. PA

____ W17- 09 ALUMINUM OXIDE OR SILICON CARBIDE FROM SAND-BLASTING OPERATIONS

Spent, used aluminum oxide or silicon carbide from industrial sandblasting applications. Non-TCLP hazardous. Any quality or packaging. NY

____ W17- 11 Confidential BATTERIES

Destroyer and distributor of all types of batteries. OH

____ W17- 38 BULK BAGS (F.I.B.C., SUPER SACKS) CARPET

Any type of foam, carpet padding, bedding, furniture, auto foam. OH OH

____ W17- 46 BULK SOAP

____ W17- 25
CARBON
80% or greater carbon content; maximum of 2% moisture; dust to large chunks; packaged in bags, super sacks or bulk. Will pay for most materials. OH

____ W17
CARPET
Any type of foam, carpet padding, bedding, furniture, auto foam. OH

____ W17- 26
CERAMICS
High alumina content plugs, insulators, saggers; packaged in super sacks or bulk. Will pay for most materials. OH

____ W17- 08
CFC'S, HCFC'S, HFC'S, HALON
Purchases used & virgin refrigerants, process to ARI 700 standards and repackage. We can provide cylinders & pay for transportation. We will purchase units of 100 lbs. or more. Amt. varies: tons to 100 tons. CO

____ W17- 31 Confidential
CHEMICAL RESIDUES
Listed / non-listed wastes containing Cu, Pb, Sn and precious metals wanted. Plating solutions, etchants and filter press residues also sought after. Any amount wanted. TX

____ W17- 20
COPIER, FAX AND PRINTER SUPPLIES
New, any amount. Generic & OEM. CA

____ W17- 05
CYLINDERS, HIGH PRESSURE TANKS
Scrap cylinders that fail hydrotesting and cannot be refilled. All sizes, any number wanted. We use these tanks as raw material in our product as recycled art. OH

____ W17- 42 Confidential
DIRT
Clean, fill dirt needed. 80,000 cubic yards in Brook Park, OH, 8,000 cy in Avon, OH, 44,000 cy in Independence, OH & 30,000 cy in Fairlawn, OH.

____ W17- 45
ELECTRONIC & COMPUTER SCRAP
We recycle electronic and computer scrap. Pick up and delivery options available. Visit: www.scrapmetal.org or www.scrapiron.org for more information. WA

____ W17- 22
FLUORESCENT LAMPS, HID LAMPS, BALLASTS, BATTERIES
Any quantity for component reclamation. NC

____ W17- 29
FLUORESCENT LIGHT BULBS
Fluorescent light bulbs wanted. MO

____ W17- 23
FREON / FREON PRODUCTS
We are specialists in freon products and in turn pay the highest prices for freon and equivalents. R-113, R-11, R-12, etc. Virgin or dirty. Bulk or drums. PA

MATERIALS WANTED

_____ **W17- 19**
FREONS, SOLVENTS AND HALONS FOR RECLAMATION

Prices paid depend on the material, availability, weight and purity. Shipping cost negotiable. Disposal available for contaminated refrigerants. Destruction available for CFCs, HFCs and HCFCs. Company both EPA and ARI certified facility. OH

_____ **W17- 30**
HYDROGEN PEROXIDE

35-50% hydrogen peroxide needed. Unlimited amounts wanted in drums or bulk. MO

_____ **W17- 34**
MAGNESITE

Magnesium by-products or residues, used of scrapped refractory brick containing MgO. No location, amount or packaging restrictions. PA

_____ **W17- 39**
METAL SCRAP PROCESSORS

For non-ferrous and ferrous material. OH

_____ **W17- 40**
MISCELLANEOUS

We purchase resins, solvents, dyes, pigments, essential oils, freon, pharmaceuticals, surfactants, potpourri, food chemicals, etc. NJ

_____ **W17- 15**
MISCELLANEOUS MATERIALS

30 years of buying closeouts, overruns, excess inventory, used machinery, material handling equipment. OH

_____ **W17- 14**
MIXED REFRIGERANTS

Will purchase used and virgin refrigerants, process to ARI 700 Standards and repackage. We can provide cylinders and pay for transportation. We will purchase units of 30 lbs. or more. OH

_____ **W17- 18**
ORGANIC MATERIALS

Large Class II composting operation in search of waste food, grass, leaves, and compostable industrial organics. 200+ tons/month. EPA licensed facility in central OH area. OH

_____ **W17- 36**
ORGANIC MATERIALS

Large regional composting facility accepting brush, grass clippings, leaves, manure, clean wood waste, wood chips, paper mill sludge, gypsum paper, food residuals, foundry sand, and coal-combustion by-products. EPA licensed facility in OH.

_____ **W17- 37**
PAINT SLUDGE

Are you landfilling paint sludge? We recycle paint sludge from any production painting operation. Will accept drums, totes, tankers, roll off boxes. From Mexico, Canada or anywhere USA.

_____ **W17- 47**
PERLITE

Wanted, 2000 cubic yards of Perlite per month. OH

_____ **W17- 24**
POLYOLS, ETC.

Higher returns on your polyols, isocyanates, urethane resins, PAPI, Terathane, TDI, TDU, Voranol Tones Polyols. Bulk or drums. Surplus Material. Bulk drums or bags. PA

_____ **W17- 41**
PRE-CONSUMER FOOD WASTE

EPA licensed compost facility accepting pre-consumer food waste from food processing plants, restaurants, hospitals, schools, etc. Material must be clean and source separated. Transportation available. OH

_____ **W17- 43**
PURE CERIUM METAL, LABORATORY CHEMICALS, COMPRESSED GASES

_____ **W17- 44**
R11R12R13R22R23R123R134R50R51R52R53
Reclamation and separation center - no blending. Call for a competitive bid - buying, selling or reclamation of your gas. FL

_____ **W17- 35**
SILICON CARBIDE
Scrap or used carbide. Refractory or silicon carbide by-products. No location, amount or packaging restrictions. PA

_____ **W17- 48**
VERMICULITE
Wanted - 2,000 cubic yards of Vermiculite per month. OH

AGRICULTURAL BY-PRODUCTS

_____ W18-08

BAKERY WASTE

Buying all types of bakery waste products (cookies, breads, crackers, pastries, flour, baking ingredients). Used for processing into animal feeds. Containers and pickup service available on daily or weekly schedule. OH

_____ W18-07 Confidential

LIME/QUICKLIME

Materials containing high lime concentrations for drying soil. 100 tons/day. OH

_____ W18-06

ORGANIC MATERIALS

Large composting operation in search of waste food, grass, leaves, manures, etc. 200+ tons/month. EPA Class 2 licensed facility in central OH area. OH

_____ W18-09

YARD TRIMMINGS

EPA licensed compost facility accepting brush, grass, leaves, wood chips, soil, etc. Transportation available. OH

_____ W18-02

YARD WASTE

clean yard waste, grass, leaves. OH

ASH & COMBUSTION BY-PRODUCTS

_____ W19-05

FLY ASH AND BOTTOM ASH

EPA licensed compost facility accepting fly ash and bottom ash from coal fired boilers. Transportation available. OH

DURABLES & FURNITURE

_____ W20-02 Confidential

NICKEL-CADMIUM STANDBY-POWER BATTERIES

“Hoppecke”, “Nife”, or “Edison”. 100 ampere-hour and up, in good condition suitable for re-deployment in renewable-energy system. (No lead-acid or portable batteries.) Consider this reuse opportunity. Will pick up within 200-mile radius of Dayton, OH

RUBBER

_____ W21-09

BLACK CURED SCRAP RUBBER

We purchase black cured scrap rubber from manufacturers. Continuous truckloads wanted. We create athletic/recreational/safety surface materials out of it. Specialize with programs that work for your facility. No brokers please. MI

_____ W21-10

MIXED RUBBER

All forms of scrap rubber.

_____ W21-02

RUBBER - CORK, INNER TUBES, TRIM SCRAP, ETC.

Wanted cork, inner tubes, trim scrap, bladders, tirebuffings for recycling. OH

_____ W21-03

RUBBER - EPDM, SBR, NEO- PRENE, NITRILE, NATURAL

Wanted - fully cured, all black in color, metal and fibre free, rubber scrap. 1/8" thick minimum. Polymer types wanted: EPDM, SBR, Neoprene and Nitrile. Prefer baled or boxed scrap. OH

_____ W21-08

TIRE CHIPS

Looking for shredded tire chips, 2 to 6 inches in size, for construction of drainage layer in Ohio landfill. 27,000 cubic yards needed. OH

_____ W21-01

TIRES

Looking for bias truck and bus tires, 10 x 20 up to 11 x 24.5. Must be whole with tread rubber still on tires. No blowouts, runflats or radials. OH

REFRACTORY MATERIAL

_____ W22-02

ALUMINA

80% or greater alumina content on ignited basis; 1/8" to 36" size; packaged in super sacks or bulk. Will pay for most materials. OH

MATERIALS WANTED

_____ **W22- 03**
ALUMINUM OXIDE
Powder, fired catalyst support;
packaged in super sacks or bulk. Will
pay for most materials. OH

_____ **W22- 04**
CERAMICS
High alumina content plugs, insulators,
saggers; packaged in super sacks or
bulk. Will pay for most materials. OH

_____ **W22- 05**
MAGNESITE
Raw, dead burned, bricks; packaged
in super sacks or bulk. Will pay for
most materials. OH

_____ **W22- 06**
MAGNESIUM OXIDE
80% or greater on ignited basis; 1/8"
to 36" size; packaged in super sacks
or bulk. Will pay for most materials.
OH

_____ **W22- 01**
REFRACTORY MATERIALS
Will accept all quantities (tons)
refractory from iron, steel and alumi-
num foundries as well as steel mills.
Materials handled in accordance with
OAC Requirements. Transportation
and container services available. OH

SAND

_____ **W23-04**
DRY SAND

_____ **W23- 05**
FOUNDRY SAND
EPA licensed compost facility accept-
ing spent, non-toxic foundry sand.
Must meet requirements of
OEPA-DSW Policy 400.007.
Transportation available. OH

_____ **W23- 03**
**SPENT, NON-TOXIC FOUNDRY
SAND**
Will accept and beneficially use all
quantities (tons) spent, non-toxic
foundry sand in an environmentally
responsible manner. Must adhere to
requirements of OEPA-DSW Policy
400.007. Technical assistance and
transportation available. Active
members of AFS and OCMA. OH

WOOD

_____ **W25-05**
44 x 52 PALLETS
Only specific four stringer versions
bearing code numbers 32, 40, 44,
100 or 110. Prefer truckload quanti-
ties. OH

_____ **W25- 03**
**BRUSH/UNTREATED LUM-
BER**
Untreated lumber or brush under 10
inches. OH

_____ **W25- 09**
DRY SAWDUST

_____ **W25- 14**
PALLETS, WOOD
Unlimited amounts wanted in truck-
load quantities to recycle into usable
pallets and landscape mulch. Full fleet
with delivery & pickup service
available. OH

_____ **W25- 18**
**RECYCLABLE WOOD MATE-
RIALS**
We need wood materials for use in
our mulch manufacturing process. We
have a fleet of trucks to handle
transportation. Year-round operation.
Unlimited quantities wanted. Visit our
web site at
www.timmermantruss.com. OH

_____ **W25- 02**
SCRAP WOOD
Wanted wood scrap, pallet waste.
OH

_____ **W25- 08**
SCRAP WOOD
Clean scrap wood, pallet waste. No
sawdust. OH

_____ **W25- 06**
SKIDS, HEAVY DUTY
60-72" pallets. 3x4 runners with 2x4
platform (skeleton). 50/month
needed. OH

_____ **W25- 10 Confidential**
SKIDS, WOOD PALLETS
Scrap wood pallets for our recycling
operation. Will pick up in NE Indiana,
SE Michigan and NW Ohio. OH

MATERIALS WANTED

_____ **W25- 16**
WOOD PALLETS

Under 70" wide and no longer than 6'
long. OH

_____ **W25- 17**
WOOD PALLETS, SCRAP
WOOD

Compost facility accepting wood
pallets and clean, scrap wood.
Transportation available. OH

REPORTING SUCCESSES

You can provide proof that OMEx is working! When you have successfully exchanged materials through the use of the OMEx Newsletter or fax on demand, we would like to hear about it! We realize that negotiations can take a long time to accomplish, but we really would appreciate success stories as soon as they occur. *This information is very important as our funding depends on tracking description of materials, amount and types on a quarterly basis, and so that we can show that OMEx is working.*

1. Material Information

Listing Code Number: _____ Material: _____

2. Information for the Company Generating Material

Company Name: _____ Contact: _____

Address: _____ Phone: _____

3. Information for the Company Transferring Material

Company Name: _____ Contact: _____

Address: _____ Phone: _____

4. Please complete the following. Was the exchange: One-time only Ongoing

Annual amount of materials being transferred (estimated): Tons _____ Gallons _____ Pounds _____

Frequency of ongoing transfers: Day Week Month Quarter Annual

Annual amount of revenues earned (estimated): _____

Disposal/cost avoided (estimated): _____

How was this material previously used _____

How will this material be used _____

Should we remove this listing? Yes No

Please return by faxing to 740/397-7649 or mail to:
